

York 9-0 Loughborough

York bounced back from their shock loss to Burton by easing past Loughborough with Ryan Rodwell scoring a hat-trick.

James Roberts also netted twice while Callum Lindsay, Daniel McGarrigan, Jayden Kenyon and Adam Revitt found the net as the gulf in class was clear.

It could have been more for the Ministermen as Rodwell hit the woodwork twice, Lindsay missed a great chance and Jack Ricard once again performed heroics in the Loughborough goal.

After Ricard initially kept York at bay, Lindsay opened the scoring, Kenyon doubled the lead after Joe McKeachie danced past a couple of challenges, Roberts slammed home for his first before Rodwell pounced after Kenyon's free-kick hit the post.

There was no let-up after the break as Rodwell coolly added a fifth, centre-half McGarrigan made it six by getting past some tired challenges to slide home and Rodwell completed his hat-trick in style, running from inside his own half and placing it into the corner.

Late on, Revitt deservedly got on the scoresheet, with a thumping left-foot strike before mercifully for Loughborough, the scoring was finally complete when Robert's shot was too powerful for Ricard to handle.

It was a chastening afternoon for Loughborough but the side formed just over a year ago, the first performance-based football programme for disabled students, they will have seen the levels in the league and the standards they will aspire to.
